

## **El Billing Claim Status Descriptions**

These values are located in both the 'Current Status' (Claim Summary) and 'Status' (claim lines) fields. Only these values can be selected for filtering upon running the **Claim Research Report**.

---

**CLOSED** - Claims are fully paid.

**ESCROW** - Claims awaiting disbursement from the Escrow account.

**INSURANCE** - Billed to commercial insurance.

**MEDICAID** - Billed to Medicaid.

**ORIGINAL** - Submitted claims that have not yet entered the billing process.

**VOIDED** - Claims have been voided.

---

These are additional values that are only found in the 'Status' fields. The **Claim Research Report** cannot be filtered using these values.

---

**BILLED** - A claim has been received by the El Billing System.

**OPEN** - The claim has not been fully paid.

**DENIED** - The claim line will not be paid by the respective payer due to the reason provided.

**NEEDS ATTENTION** - claims that have been rejected for processing or denied for payment.

**NEXTESCROW** - A claim has been marked for reimbursement or return of funds from the escrow account. This status will change upon the completion of the next payment cycle.

**RESUBMIT** - A portion of the claim has been edited and re-filed with the insurance company.

**VOID** - claims from 2013 may show this status. The claim has been voided.
